## WRITE YOUR OWN ANIMAL PROFILE!

In Lety Out Loud, the main character, Lety, and her classmate, Hunter, write some awesome pet profiles for the animals at the Furry Friends Animal Shelter. The profiles help the animals find their forever families. Using the space below, write a pet profile for a dog or cat of your choice! Here are some possible profile ideas to get you started:

- Write about your pet! What would your family pet say about its likes/dislikes and favorite activities?
- Write a new profile for one of the shelter animals mentioned in Lety Out Loud.
- Create your own perfect furry friend! For example, you can write about a Corgi named Jet who likes running, fetching and cuddles. Added challenge: Use the words rambunctious and agile. **Be creative!**
